HAWAIIAN ISLANDS, Honolulu, Oahu, 88.

John Phillips and P. M. Rooney, being severally duly sworn on oath, depose and say: That they had charge and supervision of the petitions circulated in favor of the lottery bill. That they have gone over and revised the signatures attached to the petitions presented to the members of the national reform party and the Legislature, and that the same are genuine signatures of the individuals who subscribed to such petitions. That said petitions were signed almost unanimously by the retail storekeepers and mechanics of Honolulu.
